3. Farmer Dashboard

Overview of farmer activity — total products listed, orders received, wallet balance, and recent notifications.

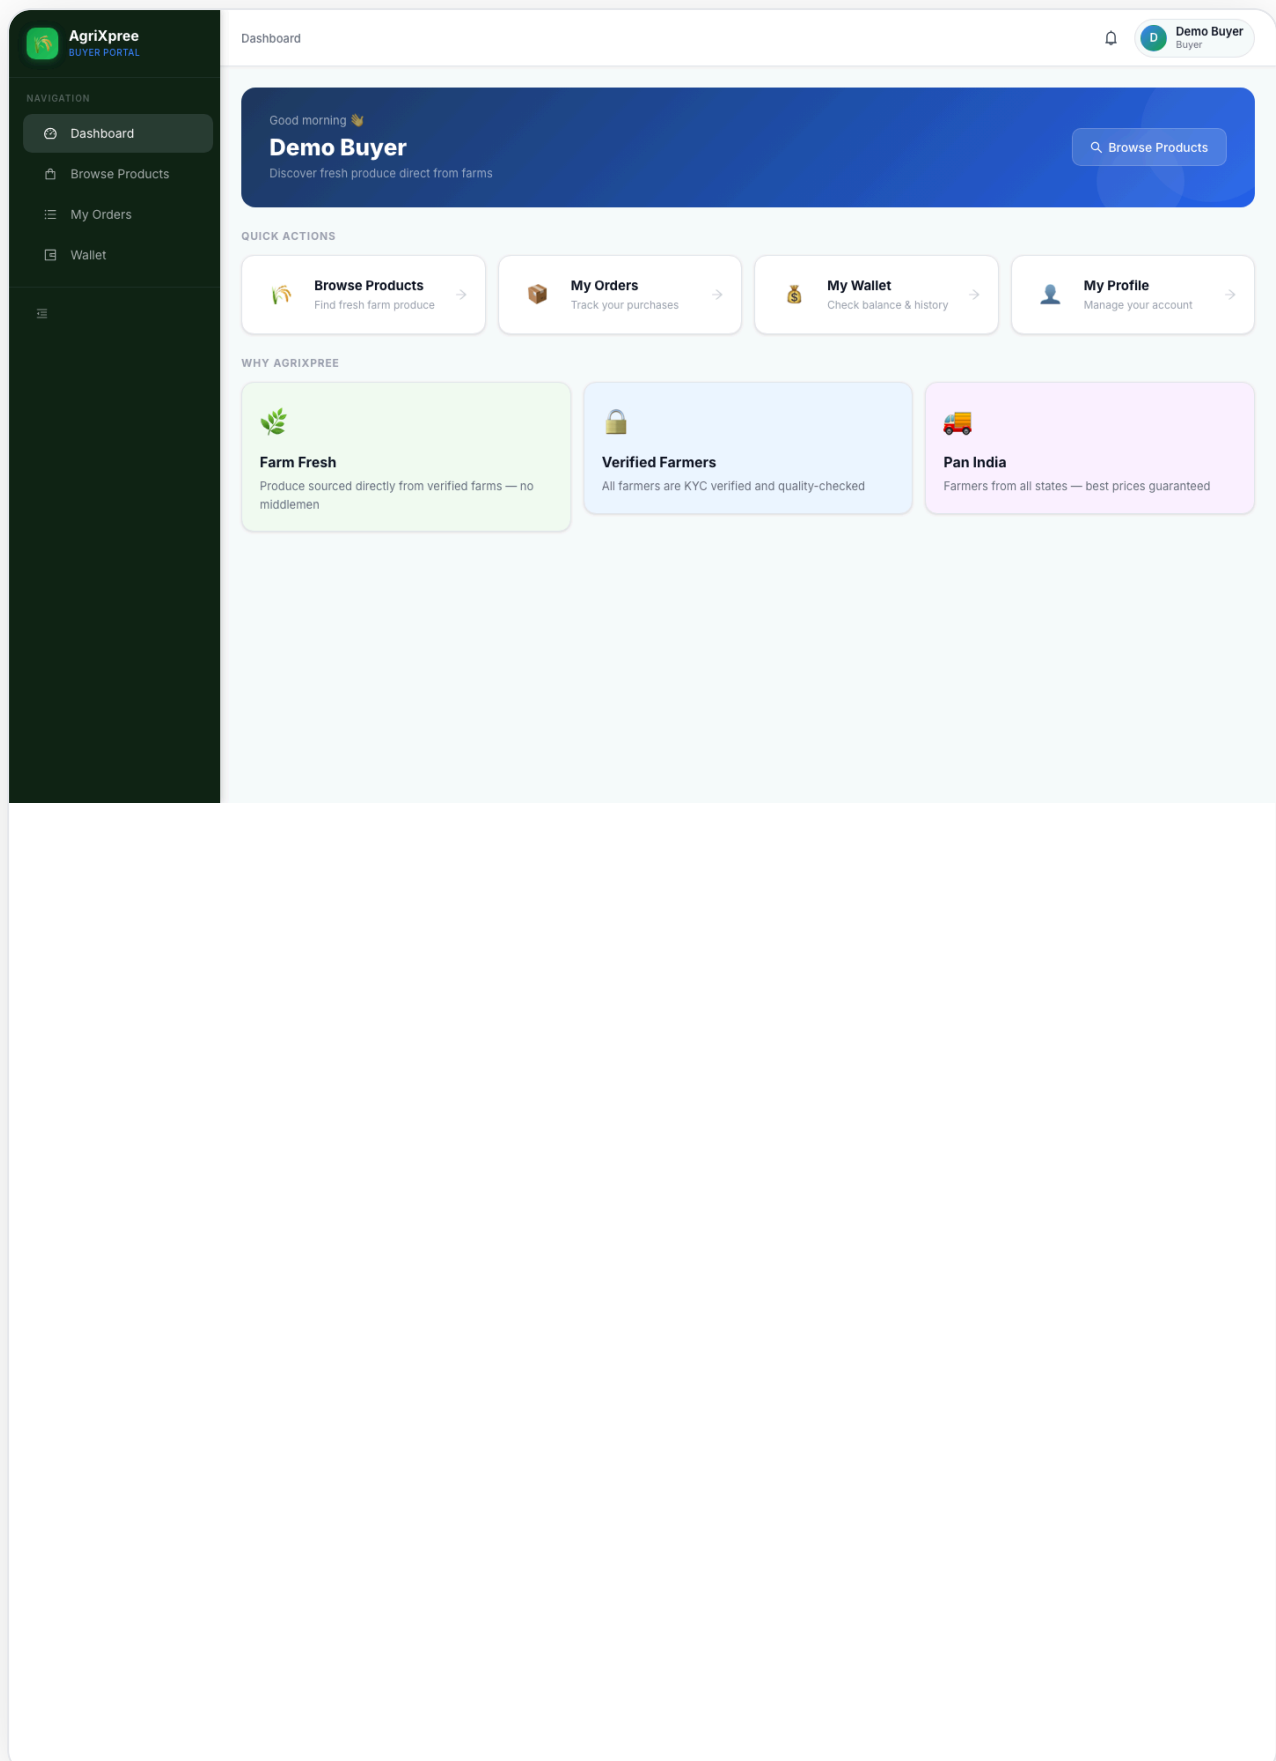

4. Farmer Inventory

Full list of all products the farmer has listed. Supports search, filter by status, and edit/delete actions.

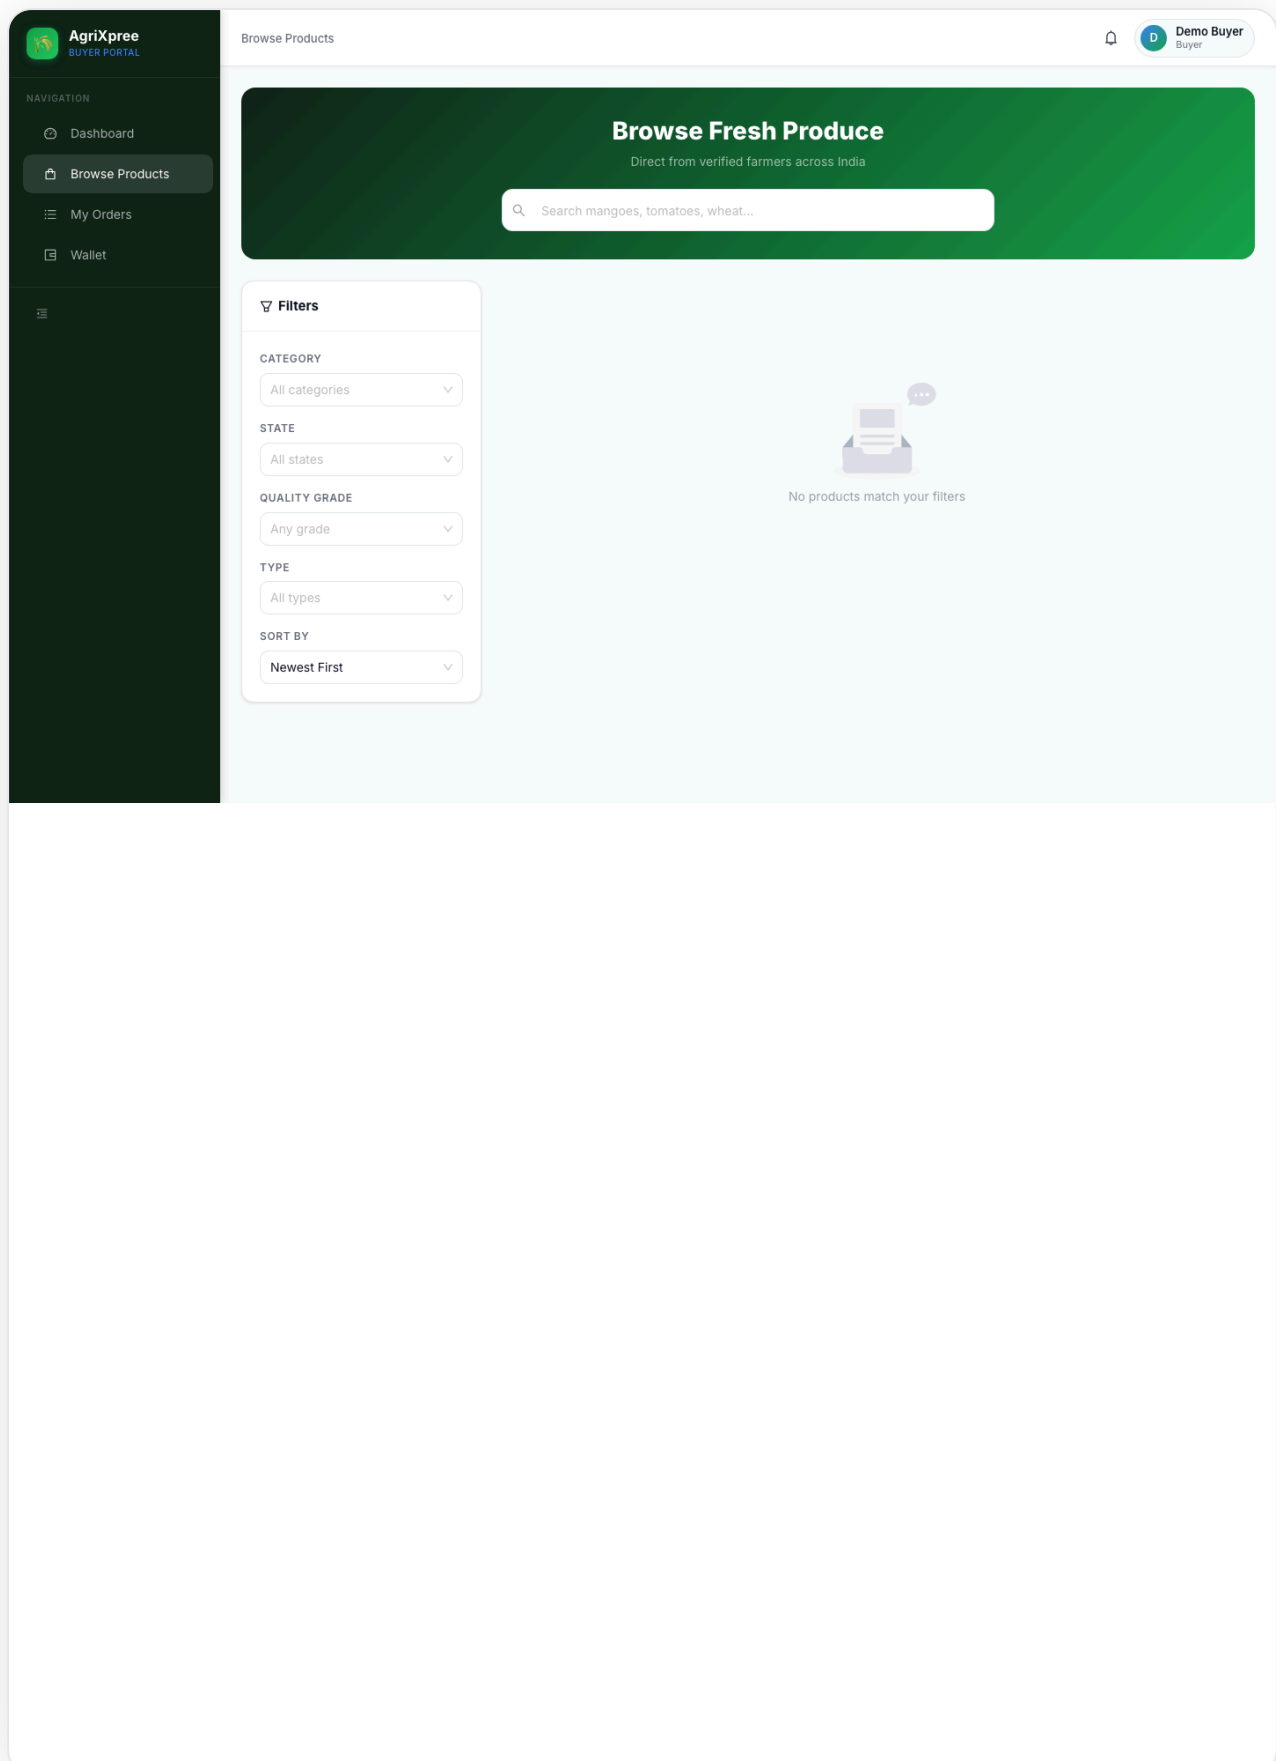

6. Buyer Dashboard

Buyer home screen showing wallet balance, recent orders, and quick-access links to browse products.

7. Browse Products

Marketplace catalog — buyers can search, filter by category/price, and place orders directly.

8. Admin Dashboard

Platform-wide analytics — total users, farmers, buyers, pending KYC count, revenue, and key stats.
